

P. A. puts new joy into the sport of smoking!

YOU may live to be 110 and never feel old enough to vote, but it's certain—sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled

cigarette unless you get on talking-terms with Prince Albert tobacco!

P. A. comes to you with a *real reason* for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite and parch!* You can smoke it long and hard without a come-back! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P. A. just answers the universal demand for tobacco without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheerfulness investment you ever made!

Prince Albert is sold everywhere in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidor—and that clever crystal-glass pound humidor with sponge-moistener top that keeps the tobacco in such splendid condition.

Pluck.

Keep a stiff upper lip.
Don't give way to despair
Or give up your grip
As you tussle with care.
Just stick to the scrap.
Don't be ready to stop.
Chance may fix it, mayhap,
That you'll finish on top.

If your battle is just
Don't give in at a blow;
Don't get rattled or fussed
Or let ill temper show.
There is many a slip
Betwixt seeker and goal.
Keep a stiff upper lip
And yourself in control.

When you're down you're not out
If you'll get up again,
You are not put to rout
Till you run from your men.
Give back blow for blow.
Just so long as you fight,
There is always a show
To succeed if you're right.
